

Book Review Mini-Critique

Below you will find ratings (scale of 1-5) with descriptions for the major parts of your book followed by your Readers' Favorite review. Although these are general ratings we hope they will give you an insight into how others may view the different components of your book.

These are the opinions of your reviewer, and although your reviewer is not an expert literary critic or professional editor, they are at the very least, an avid reader of books just like yours.

Title: The Trilogy
Subtitle: The Other Book Of God - Do you know the Only Book of God?
Author: Brenda "BJ" Pearl Walton
Genre: Non-Fiction - Religion/Philosophy

Appearance: The appearance of a book can make a significant impact on the experience of a reader, whose enjoyment is often enhanced by an enticing cover, an intriguing table of contents, interesting chapter headings, and when possible, eye-catching illustrations.

4

Plot: The characters of a book should be well defined with strengths and flaws, and while they do not have to be likable, the reader does have to be able to form a connection with them. The tone should be consistent, the theme should be clear, and the plot should be original or told from a unique perspective. For informative books -- those without plot and characters--this rating refers primarily to your concept and how well you presented it.

5

Development: Development refers to how effectively you told your story or discussed your topic. The dialogue should be realistic, the descriptions should be vivid, and the material should be concise and coherent. Organization is also a key factor, especially for informative books -- those without plot and characters. The order in which you tell your story or explain your topic and how smoothly it flows can have a huge impact on the reader's understanding and enjoyment of the material.

5

Formatting: Formatting is the single most overlooked area by authors. The way in which you describe scenes, display dialogue, and shift point of view can make or break your story. In addition, excessive grammatical errors and typos can give your book an amateurish feel and even put off readers completely.

4

Marketability: Marketability refers to how effectively you wrote your book for your target audience. Authors may include content that is above or below the understanding of their target reader, or include concepts, opinions or language that can accidentally confuse or alienate some readers. Although by its nature this rating is very subjective, a very low rating here and poor reviews may indicate an issue with your book in this area.

5

Overall Opinion: The overall starred rating takes into account all these elements and describes the overall reading experience of your reviewer. This is the official Readers' Favorite review rating for your book.

Review: Reviewed by Ruffina Oserio for Readers' Favorite

The Trilogy: The Other Book of God - Do you know the Only Book of God? by Brenda "BJ" Pearl Walton is a nonfiction, inspirational book that can be read as a transforming encounter with God — the Father, Son, and Holy Spirit. It can also be read as the author's interpretation of life in the light of faith, looking past appearances to discover God's hand in the realities of life. In the heart of this book is the powerful message that we are chosen by God. With compelling biblical references, the author couches her message in a language that is simple and accessible. Weaving her personal experience of faith into the work, the author covers a variety of topics, including faith, love, hell, God's will, life and relationship, God's purpose for humanity and a lot more. This book will help readers understand their origins, redefine their purpose in the light of God's word, and understand how to connect with the Grace that saves and empowers them.

Brenda "BJ" Pearl Walton's writings are for those who sincerely desire to have a powerful encounter with God and those who are honest seekers of their ultimate destiny. This book will change the way we look at ourselves and will prepare us to enter into deeper levels of relationship with God with greater freedom and ardor. I enjoyed the apt and relevant references, the moving examples, and the insightful style of writing in The Trilogy. This is one of those great books one needs for meditation, for prayer, and for reflection. It was an eye-opener for me, packed with wisdom and powerful insights. It's really inspiring.
